Point of Contact: Hong Cui (hongcui@email.arizona.edu)

Panelists:

Sarah LeMire Sarah LeMire is the first year experience and outreach librarian at Texas A&M University in College Station, TX. She is interested in information literacy instruction, assessment, scalability of instruction and outreach, and outreach to special populations, especially veterans. She was recognized as a member of ALA's 2015 class of Emerging Leaders and is a 2017 *Library Journal* Mover and Shaker.

Kerry Creelman Kerry Creelman is the Coordinator of Undergraduate Instruction and Outreach, and the Liaison to Athletics, at the University of Houston Libraries. She coordinates lower division library instruction efforts, including the library instruction program supporting Freshman Composition classes. Her research interests include the assessment of the student learning cycle, learner-centered instruction pedagogy, and leadership and management in libraries.

Ping Situ Ping Situ is an Associate Librarian at the University of Arizona Libraries. She is also a member of the Research & Learning Department of the library. Ms. Situ is liaison librarian to various departments/units of the College of Humanities, including departments of Africana Studies, East Asian Studies, French and Italian, Spanish and Portuguese, CESL (Center for English as A Second Language), and SLAT (Second Language Acquisition and Teaching). Her main job responsibilities include but are not limited to collection management, in-depth reference consultation, library instruction and she works closely with faculty, students and researchers at U of A as well as from international countries.

Gina Macaluso Gina Macaluso joined the School of Information as the assistant professor and manager for the Knowledge River program in 2013. Since its inception, Knowledge River has become the foremost graduate program for training librarians and information specialists with a focus on Latino and Native American cultural issues. A former public librarian for over 27 years, Ms. Macaluso has held various positions in adult, children's and young adult services in small, medium and large libraries, branch management and administration. As member of American Library Association's Young Adult Library Service Association (YALSA), she served on the Youth Participation Committee, Organization & Bylaws Committee and the Teen Website Advisory Committee. She is a current member of the Arizona Library Association (AzLA), former chair for the Arizona Librarians for Young Adult Services division, former chair for the AzLA Service Awards Committee, the Southern Arizona Representative for AzLA, and is currently President-Elect for the Association.

Yue Li Yue Li (李越) is an Associate University Librarian at the Florida State University Libraries. He has been working in library for more than 17 years. He specializes in cataloging and description and East Asian Studies. Mr. Li is very active in professional associations and has been recognized with various awards, including Special Recognition Award, from AAMES/ACRL/ALA. He is the past chair of the AAMES and also active with CALA Southeast Chapter as the Chair-elect.
